This testimony is being brought pursuant to 28 U.S. Code § 1746.

I, Jeffrey Ryan Fenton, declare under oath as follows:

[1] This lawsuit was originally filed on October 13, 2023, in the United States District Court for the Western District of Michigan (hereinafter "MIWD") as case no. 1:23-cv-01097. On October 25, 2024, MIWD transferred this lawsuit as ordered in ECF 127 to the United States District Court for the Middle District of Tennessee (hereinafter "TNMD") as case no. 3:24-cv-01282. The language used in the file stamps of each page filed is slightly different between the two courts. MIWD uses the term "ECF No." (which I abbreviate as "ECF"), while in place of that, TNMD uses the term "Document" (which I abbreviate as "DOC"). Both courts use the term "PageID" (which I abbreviate as "PID"). Citations to the court record in this lawsuit will be notated without the case name or number, using the starting DOC/ECF number, followed by both the beginning and ending PID. The Notice of Electronic Filing for this transfer is recorded in TNMD DOC 131, at which point the DOC/ECF number from MIWD was retained and continued, but the PID was reset after DOC 130, PID 5727, to restart at zero.
