Summary

On Wednesday, December 13, 2023 at approximately 1256 hours, I Deputy B. Cartwright was dispatched to make a phone call to a Mr. Jeffrey R. Fenton, in regards to a Civil Matter.

Upon making contact with Jeffrey via phone, Jeffrey advised back in 2019 he and his wife at the time were going through a bad divorce and his wife filed to get an order of protection against him. Jeffrey stated that usually in Williamson County a normal divorce is supposed to take a while some times longer than a year, however, their first court hearing Judge Binkley and Attorney Virginia Lee Story falsely granted the Order of Protection and wrongfully kicked him out of his residence located at 1986 Sunnyside Drive, Brentwood, Tennessee.

Jeffrey later advised that he has already went to TBI along with FBI on this incident in attempt to file for Official Oppression and Racketeering charges. At this time, I asked Jeffrey when he filed a

Summary

report with the TBI and FBI in which he stated it was a while ago but he stopped them due to the fact he did not want his ex-wife to suffer.

Furthermore, Jeffrey advised he filed a civil suit against several Judges, Attorney and The State. Jeffrey provided me with a file number (#1;23-CV01097-PLM-RSK). At this time, I advised Jeffrey that this incident is in fact civil; however, I would in fact document the information given on a TIBRS report under Civil. I then provided him a case number for the case and advised him if he had any other questions to contact dispatch to speak with a Deputy.
